

2 W LED Solar Lights

Product Features

- **Brighter And Wider Lighting:** With a four-sided design and 270° angle, each lamp's 32 LEDs provide excellent illumination for wide areas like gardens, courtyards, driveways, front doors, garages, patios, decks, and more.
- **Solar-Powered Light:** Converts sunlight into electricity during daytime and illuminates at night for 30 seconds whenever motion is detected.
- **Works All Night:** 6-8 hours of sunlight exposure provides for 200, 30-second bursts of light, perfect for detecting motion all night long. Reduce your carbon emission and save on electricity.
- **Motion Sensor Function:** Sensitive PIR sensors detect human motion from 16-26 ft. within a 120° angle. Each lamp activates automatically upon motion, then turns off after 30 seconds.
- **IP64 Waterproof and Durable:** Our Solar Motion Sensor Outdoor Lights are both water and heat resistant, perfect even in extreme weather conditions.

Product Information

SKU	640001-DW-4	Power Consumption (W)	2
Style	Modern	Brightness (lm)	220
Light Color	Daylight White	Color Temperature (K)	6500
Dimmable	Non-dimmable	Material	Plastic
Power Source	Solar	Waterproof	Yes
Package Quantity	Pack of 4 Units	Warranty	2 Years
Motion Sensor	Yes
